Hi Lorena - Rick called today and we set a Monday morning phone conference call to go over first level review of MDP and ER. Rick says it looks really good but they'll have their regular word-smithing and questions. One that he raised was that we'll need more detail on capital improvements - right now it seems to have very little detail. So if you could give that some thought on "for instances" that would be helpful after I get their other comments.

Thanks Ed

Subject: Management District Plan / ER for San Pedro

Ed,

Happy New Year!

I've lost track on where we are. What are we waiting for besides the map?
